Pivetta Brothers Construction, Inc.
P.O. Box 370
1812 Pease Ave.
Sumner, WA 98390

To Whom It May Concern:

The City of Issaquah Public Works Engineering Department would like to thank Pivetta Brothers Construction, Inc. (PBC) for a job well done on both projects that Pivetta has completed for the City of Issaquah.

Both the 2015 Complete Streets project on NW Dogwood St and the 2016 Storm Water Project involved significant coordination with both residents and business which included night work. PBC completed the work with professionalism and integrity.

Both projects were completed on time and on budget. The City was impressed with the efficiency of the construction. PBC did a great job of anticipating and responding to the various needs of businesses, residents, the motoring public and pedestrians throughout both projects.

We hope that we will have the chance to work together again soon.

Sincerely,

A handwritten signature in blue ink, which appears to read "Sheldon Lynne", is positioned above the printed name and title.

Sheldon Lynne, P.E.; P.G.
Director Public Works Engineer
